

Setting patients and visitors at ease is an important goal of hospitals, doctors' offices and dental facilities, and sound plays an important role. Whether you want to have soothing music in a lobby area, as shown above, a pleasant atmosphere in a waiting room, or targeted sound that easily reaches a dental patient, SoundTube has the loudspeaker solution for you. (Products shown: RSi hanging speakers; CMi in-ceiling speakers and FP focus-point speakers.)

SoundTube Entertainment is consistently developing new technologies that enhance audio product performance. For more information, contact SoundTube at:
